

APCTP Lecture

Lectures on Cosmic Inflation

Prof. Misao Sasaki

Kavli IPMU

Nov. 29th (Mon.) - 30th (Tue.)
512, APCTP HQ & Online via ZOOM

DATE	Time	ABSTRACT
Nov. 29 (Mon)	14:00-15:15	I will first review the basics of the inflationary universe.
	15:30-16:45	Then I will formulate cosmological perturbations from inflation by quantizing the spacetime vacuum fluctuations.
Nov. 30 (Tue)	14:00-15:15	Finally I will touch on some recent topics actively studied by the community.
	15:30-16:45
